**HONDA** BUILT WITHOUT COMPROMISE

A sense of "community." It's the main building block for a better future. At Bell, we will continue to support local initiatives by helping to bring people together and by forming partnerships in programs like this. Because with strong local initiatives, and the right resources, we enrich our communities and our way of life.

Connect to the things that matter.

On Sunday, April 26th, come and help reforest the Rouge Valley. Bell Canada and the Rouge Valley Foundation invite you to join "10,000 Trees for the Rouge Valley." This year's planting will take place from 9am to 4pm on the east side of Sewells Road, south of Steeles Ave., north of Old Finch Ave. in Scarborough. Bring your spade, bucket, sunscreen - and of course lots of enthusiasm.
