# Stouffville residents on 'green' clean-up duty

On May 2, I happened to drive by a curious sight along Davis Drive. Stacked along the roadside were bags of garbage neatly tied and ready to be picked up.

In the background were some of the many volunteers from the Ontario Trail Riders Association who were responsible for this 9th annual Green-up/Clean-up.

*Ruth LeBlanc*

In and around the York Regional Forests in Whitchurch-Stouffville clean-up crews were busy hauling trash, and this was a beautiful sight to organizer and local resident Christel von Richter.

Keeping our forests clean for everyone to enjoy was important to Diane Hurst of Toronto who yearly makes the pilgrimage to lend a hand.

Closer to home in Newmarket Nancy Umphries joined the clean-up crew that included Leonard Munt the Forest Coordinator with his assistant Melissa.

Lucky volunteers each received a badge from the York Region Forest as a token of appreciation.

Adding to the busy but fun time was Bob Scott, a blacksmith from Zephyr, who brought along a horse and wagon. Going through the woods Bob would collect up all the trash bags in his wagon and this made the huge undertaking that much easier.

Every year in the first weekend of May you are all welcome to join in and do something nice for the environment and everyone else too.

## Big-Time Performance. Just \$199. per month\*

### Introducing the All-New John Deere 4100. Big-Tractor Features At Low Monthly Payments.

There's a new John Deere compact tractor out there and it brings you **big-tractor performance** at surprisingly low monthly payments of just \$199. Like its famous "big brothers," the new 4100 has **oil-cooled brakes**. A **differential lock** that gets both rear wheels pulling in slick conditions. And **shift-on-the-go front-wheel drive**. You'll never have to stop to get the traction you need.

The 4100 features a clean-burning, fast-starting **diesel engine**, kicking out 20 horse

power. Choose an economical **8x4 gear transmission**, or get the clutchless, high-performance of an infinite-speed **hydrostatic**. Both transmissions bring you **mid and rear PTOs**. And the hydrostatic's PTO is fully independent.

Thanks to **John Deere hydraulics**, the 4100 delivers **effortless power steering**, a responsive **3-point hitch**, and fast cycle times. Optional attachments include loader, mid-and rear-mount mower decks, front blade, power

broom, snow thrower and Category 1 3-point-hitch tools.

See your John Deere dealers, listed below, for more details.

\*For tractor model 4100 (gear drive, not including optional attachments) based on selling price of \$13,999 less \$3,105.61 down payment. Taxes, setup and freight charges are extra. Balance of \$10,893.39 to be financed with 60 monthly payments of \$199 totaling \$11,940. Based on 6% APR. The full cost of borrowing will be \$1,646.61. Rate subject to change without notice. All transactions subject to John Deere Credit approval. Some restrictions may apply.

NOTHING RUNS LIKE A DEERE

Joanne Massie with horse Envie

Known for its horses and horse lovers, Stouffville can be proud of local resident Joanne Massie.

Just weeks ago at Quarterama Joanne with her horse Envie placed in the top five entries. Not bad considering this was the first time the two year old quarter horse had competed in the Showmanship competition, and against senior horses.

Training out of Pinedale Quarter Horse Farm in Churchill, Joanne says being a horse lover is in her blood and that she blames it all on her mom for passing on the love of the beautiful animals.

Across the 9th Line in Churchill is the quaint little white Community Church. Wedding vows were renewed by Ken and Isabel Parke after 50 years of marriage in the church they have attended.
