 REFINISHED BEYOND COMPARE

Dear Neighbour,

Sheraton Antiques is celebrating it's second ANNIVERSARY in Unionville, after 10 years in Stouffville and thanks to you we are enjoying good relations in our community and still growing. In return we would like to offer our appreciation.

Let me explain. At this time we find ourselves with too large an inventory of restored antiques and reproduction furniture. In order to correct this problem we have decided to have a Special Two Day Sale exclusively for you.

All reproductions, collectibles, refinished furnishings and original condition antiques will clearly display sale prices. On the spot financing will be available to assist with larger purchases.

This two day sale will take place on Sat. May 23 & Sun. May 24, 1998. In order to accommodate everyone, the doors will open at 9:00 a.m. Come early for the best selection.

If you have been considering the purchase of quality home furnishings, this is your opportunity for special savings and extra value. I urge you to come by and see for yourself.

Remember "TWO DAYS ONLY", Sat. May 23 and Sun. May 24 is your opportunity for extra value in the purchase of your antique home furnishings.

SEE YOU THEN,

Andy Munro
 President
