

Learn something and be entertained during June

There will be lots happening at the Whitchurch-Stouffville Public Library this June.

Meeting date changed

There's something for everyone, starting with the Library Board meeting. Usually meeting on the second Tuesday of the month, note that there is a change for the June meeting. The board will be meeting tomorrow to look over the agenda in advance of the meeting.

St. John's course

Next, there will be a course for adults - St. John's Ambulance CPR - scheduled for Saturday, June 13, from 10 a.m. to 5 p.m., with a half-hour lunch. The cost is \$50 per person and pre-registration is necessary, so you should plan to drop into the library soon.

Seniors' info session

Wednesday, June 17, at 2 p.m. there will be two guest speakers from the Elderhostel program. The cost is \$2 per person and although Elderhostel is specifically for seniors who enjoy a little travelling and learning, this information session is not restricted to seniors. If you'd like information on the wide range of courses, the various international sites, and generally how these programs run, this casual event is suited to your needs.

Get the information for a senior you know, or prepare for your own retirement.

Starting a career

For the younger people beginning their careers the popular course in Babysitting is again being offered.

It's a two-day course running on two Saturdays, June 20 and 27, 11 a.m. to 2:30 p.m., with half-hour lunch at noon. Participants must be 12 years of age or over. The cost is \$45 per student and proof of age is required upon registration. This is a very popular course so register early.

Keaton-fest

A more relaxed event is the Buster Keaton afternoon on June 24, 2 to 3:30 p.m.

For \$2 per person, there will be a few treats and two short films - *Cops* and *Railroader*. *Cops* is from Keaton's earlier career and comes highly rated in the Martin and Porter Video Guide. With the railroad interest in our community, *Railroader* will be a hit.

Library magic

We finish off the month with a Formal Close Up Magic show, featuring Dan Laffie & Ken Norris, on Saturday, June 27 at 3 p.m. This will be a free event.

LIBRARY NEWS

open to all during the Strawberry Festival, which of course, will kick off the July events.

But that's another column. Watch for it.
