Focus On Business

Pamper yourself and others at Sweet Moments of Unionville

Sweet Moments of Unionville is one of those places that encourages you to come in and stay for a long time. You feel completely at ease the moment you walk into the cozy store on Main Street Unionville. The sunflower welcome mat and the butter yellow walls make you feel at home, while the beautiful gift baskets and heavenly Belgium chocolates wish you could spend your whole day there.

The store opened two months ago to provide a service to neighbours and business people who want the perfect gift for special occasions and holidays.

Sweet Moments provides a number of services including gift wrapping and custom-made gift baskets.

Staff can help the customer choose the perfect basket from the large selection the store has on display as well as a number of items to go in it.

These gifts include luxurious bath items, handmade dolls, dried flowers arrangements, unique cards, gourmet foods as well as an array of sweets including tins with candy, maple syrup, gourmet jelly beans, shortbread cookies, honey and fruit syrups and lots more.

If the customer wants something that Sweet Moments doesn't carry, staff will go out of their way to find it.

As well as gift baskets, Sweet Moments also provides fine Belgium chocolates that are flown in twice a month. The store carries sugar free (for diabetic people) and regular chocolates, as well as other gourmet items such as chocolate body paint, chocolate covered coffee beans, chocolate dipped spoons, fruit jellies, animal-shaped marzipan, jelly beans and so on.

Soon Sweet Moments will be selling edible works of art and have a catalogue with some of their products.

Sweet Moments is open Monday to Wednesday from 11 am to 5 pm, Thursday, Friday and Saturday from 11 am to 5 pm and 8 pm to 10 pm and Sunday from noon to 5 pm. Customers who want to place orders for chocolates and gift baskets can call 944-9996. Sweet Moments is located at 190 Main St. in Unionville.

Window and door shopping is easy thanks to Encore

Choosing a company to install windows and doors is easy thanks to Encore Home Improvements.

The professional and friendly staff at Encore will come directly to your home with samples and books of a variety of windows and doors as well as an easy-to-use companion worksheet.

Staff will show you how each door or window will look like on your home and will make suggestions on which will be more attractive.

There is no high-pressure sales, said Mike Montecalvo who owns Encore with Dave Rosolen. We give options and allow the customer to make his/her own choice.

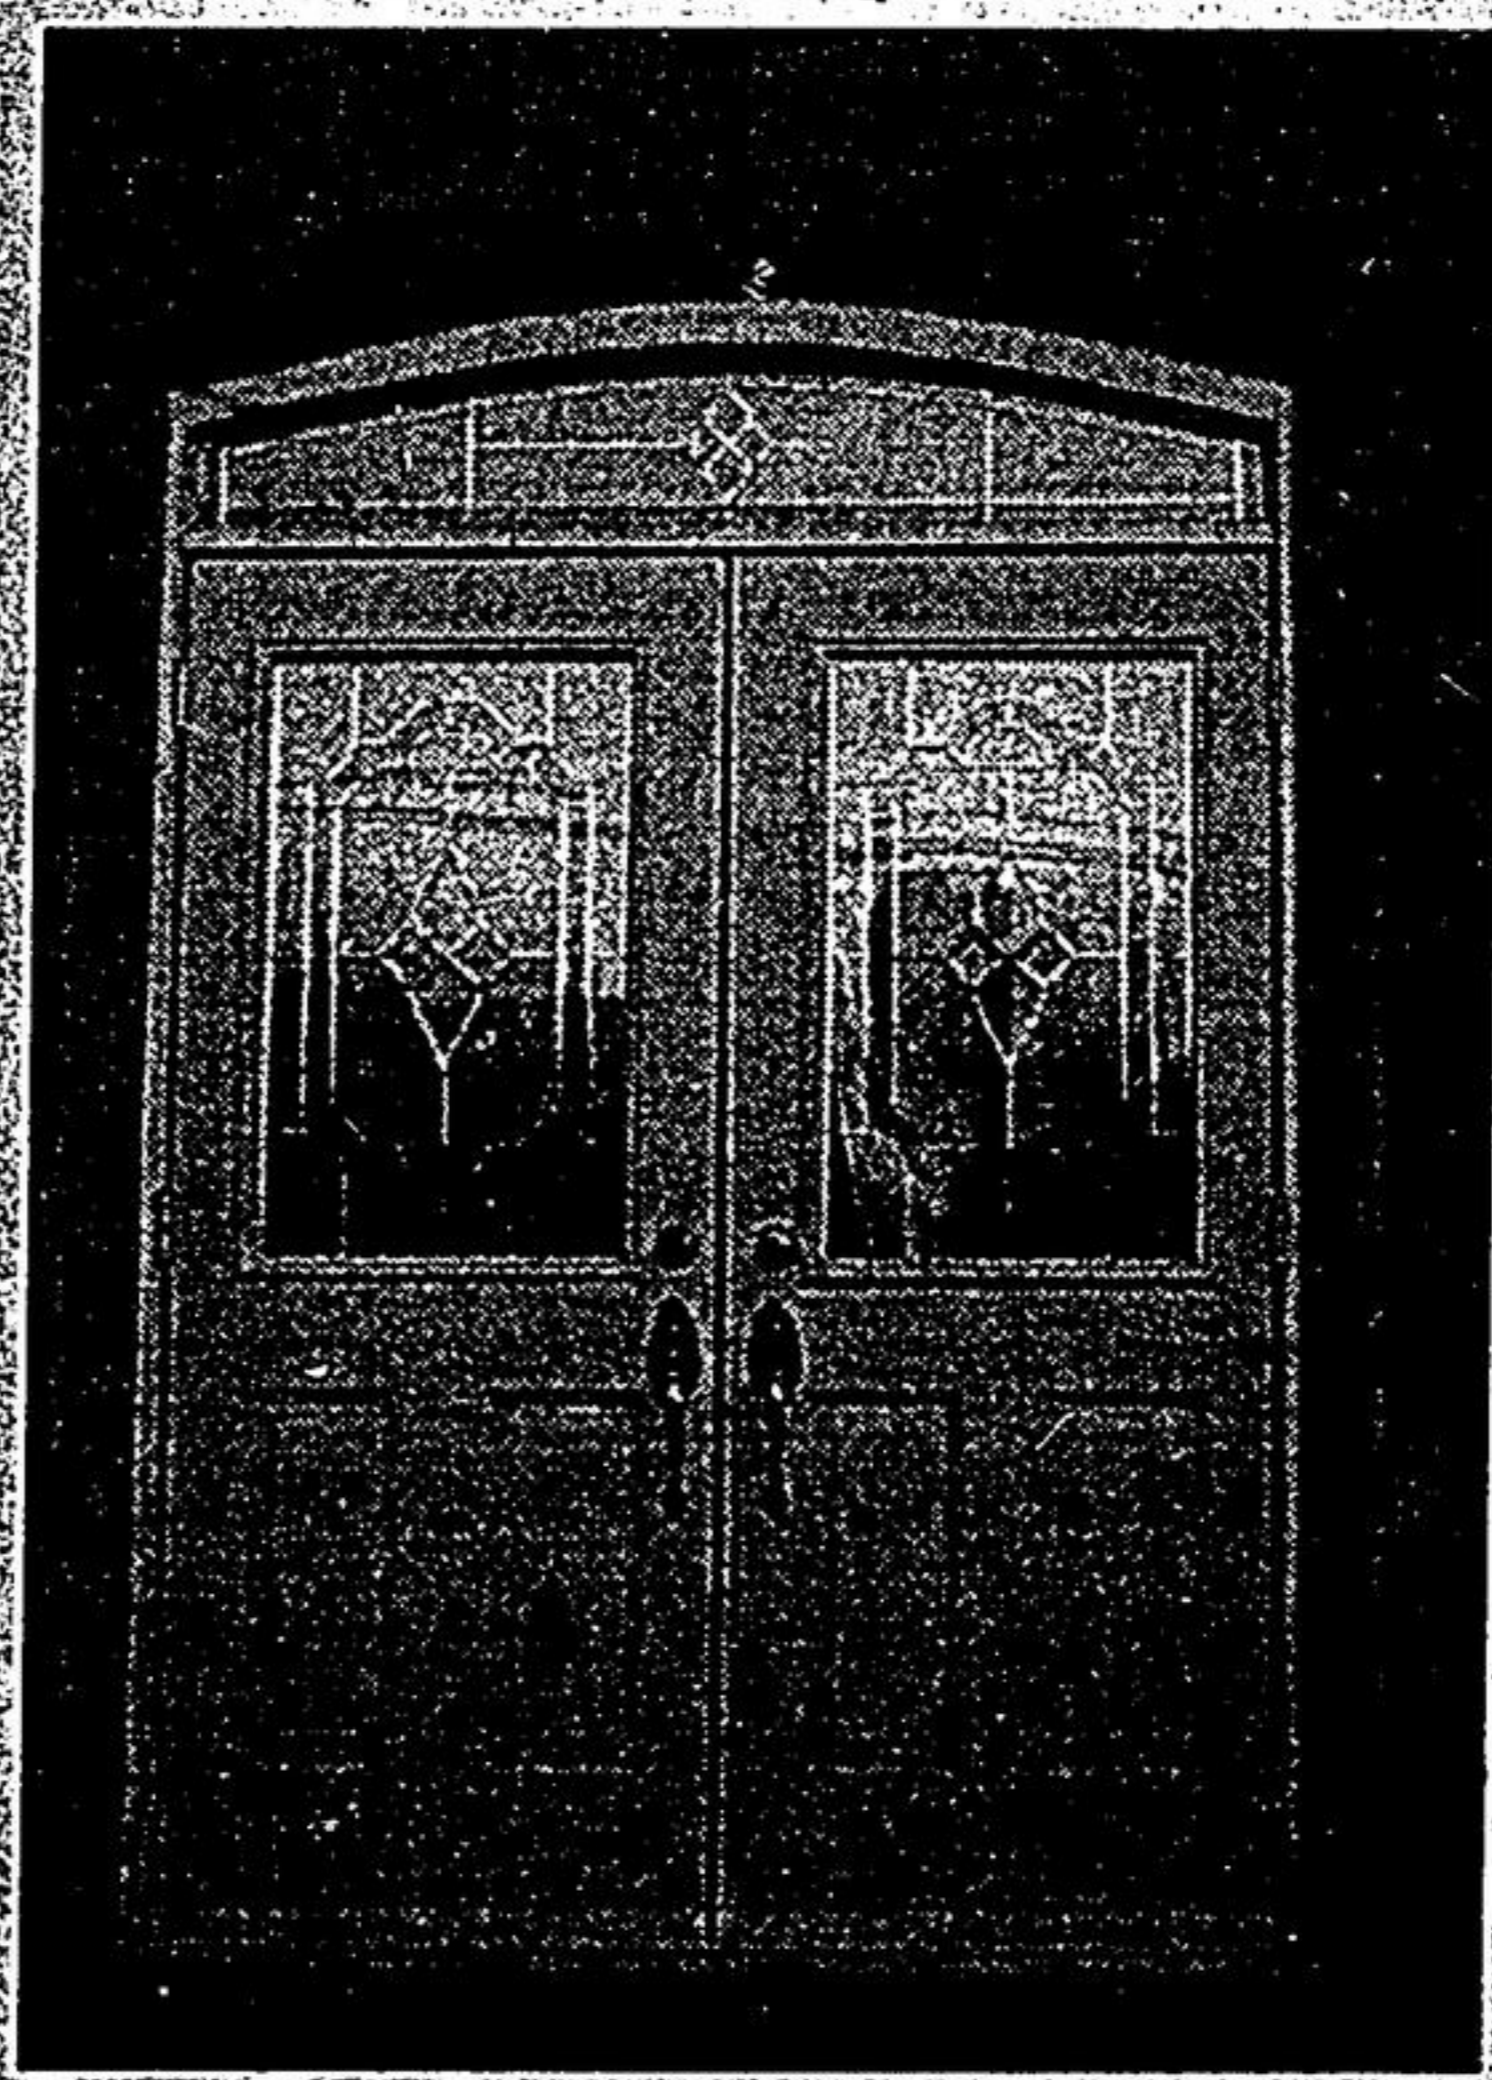

Only high-quality window and door suppliers are used by Encore. Most manufacturers are Canadian.

Encore's trained installers will remove the old windows and doors and install the new ones. Installers work efficiently, but with the utmost care. Garbage is taken away and the site is left as clean as it was before they arrived.

Encore provides a lifetime warranty for all parts and labour. But for an added security, you also receive RenoGuard - an additional five-year warranty on workmanship.

Montecalvo said window and door installers don't have to be certified, but Encore is. The company is a member of SAWDAC - the Siding and Window Dealers Association of Canada. They also have a license and insurance.

To make it easier to purchase windows and doors, Encore offers bank financing through CIBC. This non-secure loan has no down payment, no monthly payment and no interest for six months. Afterwards, you have a variety

of payment options.

For details call Encore at 470-0750 or visit their new showroom at 450 Alden Rd. Unit 7.
