Welcome aboard Dr. Bill Webber Chiropractor, Acupuncturist, Active Release Technique

While at M.D.H.S., Dr. Webber lettered in Basketball and was a member of four successive G.B.S.S.A. basketball championship teams, and numerous spring & summer league champs as well. He also played many tennis tournaments on the provincial and national junior circuit. Dr. Webber finished his O.S.S.H.G.D. as an honour student.

Dr. Webber graduated from the University of Toronto with a B.Sc. in Physics, with minors in Astronomy and BioPhysics. He also worked at the David Dunlap Observatory and was a Teaching Assistant in Astronomy. While out on a run one day in 1981, he felt a sharp pain in his knee. Suddenly, a guy seen running the streets of Markham for years ran up behind him and said, "Need a house call?" It was none other than Dr. DeFinney himself! The knee healed and Dr. Webber has been a chiropractic advocate ever since.

By then, the fitness bug had caught Dr. Webber and he spent the next two years training full-time for triathlon. He would go on to compete at the IRONMAN Triathlon World Championships in Hawaii before turning to full-time work with IBM and recreational athletics. Dr. Webber spent almost 7 years with IBM in the former Computing and Telecommunication Services department in Markham, where he was responsible for IBM Network Technical Support. In 1992 however, Dr. Webber decided that a new challenge was calling.

Dr. Webber entered Logan College of Chiropractic in January of 1994 and graduated in 1997, on the Dean's list with Clinic Honours. While at school he also studied Acupuncture and served as Unit Director for his shift at the Montgomery Clinic in St. Louis. He also acquired several hundred hours in post-graduate education in the fields of Chiropractic Neurology and Adjusting Technique. Following graduation, Dr. Webber became credentialed and recognized as a certified provider of Active Release® Technique, a technique that has proven effective in the relief of muscle injury and pain. He has also been invited to participate as one of the "IronDocs" at the Hawaiian Ironman this fall. Dr. Webber's philosophy of chiropractic includes helping people to achieve their health goals through self-maintenance and prevention.

Dr. Webber is now a full-time associate of the DeFinney Chiropractic and Sports Injury Clinic, following a 4-month internship with Dr. DeFinney and several weeks helping patients with ART. Dr. Webber will compete once again at the IRONMAN distance this year at IRONMAN Canada in Penitence, B.C.

Dr. Webber is now accepting new patients. For appointments call (905) 294-0454

Personal Prayer to The Holy Spirit

Holy Spirit, Thou make me see everything and show me the way to reach my ideal. You who give the divine gift to forgive and forget the wrong that is done to me and who are in all instances of my life with me. I, in this short dialogue, want to thank You for everything and confirm once more that I never want to be separated from You no matter how great the material desire may be. I want to be with You and my loved ones in Your perpetual glory. Amen. Person must pray this 3 consecutive days without stating one's wish. After the 3rd day your wish will be granted, no matter how difficult it may be. Promise to publish this as soon as your favour has been granted.
