

PATRIOTIC LIONS: Lions Archie Grant and Sharon McClenny hand out Canadian flags to Grade ones at St. Mark Separate School last Thursday so they can proudly wave their flags on Canada Day July 1.

50 YEAR OLD GROWS NEW TEETH?

not quite, but DENTAL IMPLANTS are the next best thing!

Bridges and dentures used to be the only way to restore missing teeth. But now dental implants can replace one tooth, a few teeth or even all of your teeth. The result will be a smile that looks great and teeth that feel as secure as nature's own.

While dental implants can make an amazing difference in your mouth, they cannot be used in every situation. So, we invite you to see us for a personal NO CHARGE consultation. We welcome the opportunity to discuss whether dental implants are possible for you, what procedures and costs are involved, and the payment plans we offer.

So call us today, and let us put a SMILE on your face again.
