### SISU Liquid Cal/Mag

Calcium is an essential mineral for the development and maintenance of bones and teeth. For those who wish to supplement their diet, liquid calcium and magnesium plus vitamin D from SISU is an excellent choice. Each 100ml bottle contains 240mg elemental calcium from carbonate, 100mg elemental magnesium from oxide and 100 IU vitamin D. Available in a smooth, neutral liquid containing natural flavors, ginger, lemons and vitamins. No added sugar, natural mint flavor, take with a glass of water, juice or water with salt substitution.

Bottle Size Reg. \$28.99  
**2 for 1 Price \$28.99**

### SISU Ester-C®

Vitamin C is an important factor in the normal development of bones, cartilage, teeth and gums. Ester-C® is a unique, patented Vitamin C - non-acidic and naturally processed with a neutral pH for sensitive stomachs. Clinical testing shows that Ester-C brand calcium ascorbate is better absorbed and excreted less than ordinary vitamin C. Each Ester-C capsule from SISU contains 600mg of vitamin C, 60mg of Calcium and 100mg of Bioflavonoids.

120's Reg. \$29.99
