ALL YOU WANTED TO KNOW ABOUT REAL MEN AND WHAT THEY LIKE TO EAT!

With the approach of Father's Day, it's timely to reflect on what real men like to eat because you can bet they'll be coming out of the woodwork and they'll be as hungry as bears.

Now, studies have shown that eating habits have changed over time. The whole world has shifted their appetites in the direction of chicken and fish.

Real men, however, have resisted this change. Given any choice at all, real men prefer beef - lots of it! To keep them at bay, we've imported a shipment of mid-western certified Aberdeen Angus Strip Loin Steaks. You'll find these steaks tender and of excellent flavour - just what real men like.

OUR CAESAR DRESSING

We've found that real men don't usually eat salad - they go right to the meat of the matter. There are exceptions of course, and this is one of them. Caesar salads are for real men - and it's the dressing that makes the salad.

This week, we'll throw in the romaine lettuce FREE when you purchase one of Jaana's caesar dressings. Regular 3.49 each, 8 oz. size.

FREE ROMAINE

POTATO SALAD

The recipe for our traditional potato salad came from one of our former employees, Mrs. Erica Kreiger. It's delicious - especially so when the new local potatoes are available - like right now.

REAL MEN LIKE IT... HOT!

It's true. Real men do like their pepperonis hot - really hot. Our pepperettes are just the thing to quell their appetite for hot! ... and further good news! You can get these in not two, but four places now - at our store of course, at the Vets hall in Markham (with a beer), at Herma's in Port Hope and at the Produce Tent in Parry Sound. Get them while they're hot!

PECAN PIES

Exhausting studies have shown that real men never turn down anything sweet. If there's a dessert to be had, the line forms right around it. These pecan pies are a popular choice. They have a buttery shortbread crust and a deep pecan filling which is sweet enough for real men.

For full eating pleasure, serve at room temperature.

EXCITING PRODUCE!

* MANGOES

Real Men like a taste of the exotic (but not too exotic). These mangoes are very large, with lots of colour, and since most men like things in pairs, they're priced accordingly.

LOCAL STRAWBERRIES

Have now arrived! Fresh Daily

OUR WARM SMOKED FRESH ATLANTIC

SMOKED SALMON

One trend that we've noticed is that real men have become world travelling connoisseurs - They know goodness when they're confronted with it. Our Smoked Salmon is a case in point. It has been taken to places far afield, including England, Italy, many of the islands, British Columbia and to the Orient. Not bad for something made right in our store, eh?

Why is it so good? Largely because we use farmed Bay of Fundy Atlantic Salmon exclusively (more about salmon in another issue) which arrives at our doorstep much fresher than any other salmon available. This means peak flavour and more menu-planning leeway. We completely debone and trim these fish, cut them into chunks and season them to cure. They are then smoked over warm oak coals so they cook while they smoke - unlike traditional thinly sliced cold-smoked salmon.

The result is a flaky, moist and truly delicious treat which is best served at room temperature.

It's very popular with real men so hurry down!
