Garden lovers beware – Kate's Garden has everything for your garden

Garden lovers beware – Kate's Garden is a store that, if you step inside, you may never want to leave it again.

Kate's Garden – located at McCowan and Hwy. 7 – is a little bit of heaven for gardening buffs.

The cozy store is filled with everything you ever needed or wanted to accent your garden.

Kate's Garden was started by a group of friends who wanted other gardening lovers to be able to find unique garden accents.

Garden lovers will discover beautiful statues, fountains, pillars, benches, stepping stones, sundials, pots and lanterns, just to name just a few. Architectural artifacts and found objects can also find a home in Kate's Garden.

The store has garden tools, trugs from Sussex, organizers, plant markers and garden books. Everything people need to support their plants can also be found in their potter's shed.

Functional garden items are cleverly disguised so not to detract from the beauty of the garden. Thermometers are encased in plaques with inspiring words. Sprinklers appear as garden geysers.

Kate's Garden also has an on-site workshop to provide custom products for the home and garden, vanishing point trellises, potter's stands, custom window boxes, garden

gates and more. Bring your design ideas to the shop and Kate's Garden can make them a reality.

Garden-related decor is part of the overall service. Garden-related gifts, jewelry, stationary, candles, soaps and salves for your hands are tucked into every corner of the shop. Grilling oils, herbal jellies and food screens make your outdoor dining more elegant.

Garden planning advice from experienced gardeners is also available and a variety of garden books are on hand for free consultation. During the winter, the store plans to run weekly evening workshops.

Kate's Garden is located at 5221 Hwy. 7. For details call 475-7674.

Vacmaster – not your typical vacuum store

Vacmaster isn't your typical vacuum store.

The Bullock Drive store offers customers a large showroom with a number of central and portable vacuum models, an extensive stockroom with accessories and parts for all vacuum cleaner models and a friendly and knowledgeable staff who can install, repair and answer any questions customers may have.

And all this is offered in a store that is on one level with plenty of free parking.

(For many customers this is key).

Owner Joe Bond takes pride in knowing and being able to repair any vacuum.

He is an authorized service centre for Beam, Bissell, Eureka, Singer, Hoover, Dirt Devil, Philips, Regina, Miele, Panasonic, Sharp and Royal, but can service all other brands such as Compact, Electrolux and Kirby.

The repairs are done quickly because everything is done right in the store. And because Vacmaster has a fully stocked, organized warehouse, almost everything you need

can be found immediately.

Bond sells all kinds of vacuum cleaners and can give air flow demonstrations for central and portable vacuums.

Vacmaster is open from 9 am to 6 pm from Monday to Friday and 9 am to 5 pm on Saturday. After hours appointments are available upon request.

For details visit the store at 172 Bullock or call them at 472-2036.
