

CHRYSLER COMPOUND INVENTORY ELIMINATION SALE

To ensure the elimination of all inventory, the Chrysler Canada has extended to the dealer special cost reductions and/or subsidized the Chrysler Credit interest rates. Every reasonable offer will be accepted and every credit application will be processed for maximum consideration. Sales commissions have been reduced or eliminated to permit the lowest possible price to the consumer.

All vehicles will be pre-priced for quick sale and delivery is IMMEDIATE!

Trades will be accepted at full book value plus \$500.00.

All vehicles are available for lease and custom lease quotes will be made immediately.

In order to facilitate the sales and permit out of town buyers a reasonable opportunity to purchase before the inventory is sold out, vehicles will be sold at the following times each day except Saturday when the balance of the inventory will be sold off and delivered. Sunday deliveries are available where required. Buyers are requested to bring proof of insurance, lien payoff information where applicable and deposits in certified funds or credit cards.
