Personal Prayer to The Holy Spirit
Holy Spirit Thou make me see everything and show me the way to reach my ideal. You who give the divine gift to forgive and forget the wrong that is done to me and who are in all instances of my life with me. I in this short dialogue, want to thank You for everything and confirm once more that I never want to be separated from You no matter how great the material desire may be. I want to be with You and my loved ones in Your perpetual glory. Amen. Person must pray this 3 consecutive days without stating one's wish. After the 3rd day your wish will be granted no matter how difficult it may be. Promise to publish this as soon as your favour has been granted.

Programming You Can Count On
The most important period of learning in life is from birth to the age of six. Countless studies have confirmed that your child develops fifty percent of his/her mature intelligence from birth to age four and thirty percent from age four to eight. Clearly, early learning and stimulation will have an enormous impact on the future potential of your child.
For this reason WEE WATCH has developed a series of activity booklets to enhance fine motor, numeracy, and literacy skills in your child.
