Meadowbrook Lane Pharmacy

Customers come first at Meadowbrook Lane Pharmacy.

For the past 10 years, owners Fanny Poon and Monica Kwok have not only been filling prescriptions at their Hwy. 7 pharmacy, but building relationships.

Most patients are known by name, and many stop by the spacious pharmacy just to say hello and catch up on the latest news.

People enjoy going to the pharmacy because the staff are always friendly and customers know they will receive exceptional service. Both the English and Cantonese-speaking patient feels comfortable about having Kwok and Poon fill their prescrip-

tions, answer any question and spend time explaining possible side effects.

But friendly service isn't all they provide. Elderly customers, or those who can't get around, can still get their prescriptions because Meadowbrook Lane Pharmacy delivers right to their door, upon request.

They will spend time explaining possible side effects.

To help their patients with allergies, Meadowbrook Lane Pharmacy is carrying a variety of allergy-free mattress and pillow cover encasing.

Meadowbrook Lane Pharmacy is located at 4591 Hwy. 7 E. For details 940-2004.

Golfer's Choice, Markham

A friendly atmosphere and a knowledgeable staff that goes out of their way to make sure their customers receive high-quality service and merchandise is what sets Golfer's Choice apart from the rest.

"We are an independent store that pays attention to service and customer satisfaction," said Dennis Underwood, who owns the store.

Staff are eager to help customers who are trying to pick out golf merchandise for either themselves or someone else. By asking a few questions, staff are able to recommend items that will be appropriate. Golfer's Choice has a large selection of golf merchan-

dise to choose from.

People can purchase golf clubs by some of the best manufacturers including Callaway, Taylor Made, King, Cobra, Titleist and Wilson. But before they purchase a club, staff encourages the customer to try swinging the club in the demonstration area. On top of golf clubs, Golfer's Choice also carries bags, balls, golf clothing, shoes and accessories. People who need more professional help can purchase a number of different self-help materials.

For details visit Golfer's Choice at 4981 Hwy. 7 or call 948-0599.

Ever thought of repainting your car? If so, Maaco has a paint service to fit any budget.

"We're equipped to handle any kind of painting or repair job from minor retouching to major collision work," said owner Randy Murphy. "Consumers who take advantage of our painting and collision repair service will realize a greater aesthetic pleasure, as well as monetary value for their vehicles."

With the costs of new cars continuing to rise, motorists should consider the options of keeping their present car. The cost to repair and refinish the average vehicle on the

road today would be the equivalent of two to three monthly car payments. Randy's philosophy over the past 10 years has been to "provide quality and value at a reasonable price."

Combine that philosophy with listening to the customers concerns and the result is over 10,000 vehicles being painted at the Markham location. Approximately 65 per cent of Randy's customers have been repeat customers or referrals. Hence, Randy's slogan "paint a car, make a friend."

Maaco is located at 1 Laidlaw Blvd. For details call 472-5353.
