Pasta Vita brings you fine dining at home

At Pasta Vita, we believe that the true objective of the kitchen and the table are health and pleasure.

And it's these two essential ingredients of life which we want to bring to your table for you, your family and friends.

My name is Rosanna Pagliaro and I welcome you to Pasta Vita - the only place in Markham that offers you an alternative to eating out or cooking, while still enjoying a traditional homemade gourmet meal.

Pasta Vita is the place to come to get fresh homemade pastas and sauces or fully prepared take-out meals for lunch or dinner.

The pasta is made fresh daily from durum

semolina flour, eggs and water. Also available is whole wheat, spinach, tomato and herb noodles. The sauces are made from family recipes, using only the freshest ingredients and no preservatives.

Our prepared meals vary from a simple spaghetti and meatballs to rigatoni with vodka sauce. Our superb and unique lasagna is made daily and is available for meat or vegetable lovers.

And that's not all, at Pasta Vita you will find a variety of filled pastas like: meat, cheese, eggplant, squash, sundried tomato or mushroom ravioli, tortellini or agnolotti.

Cheers to good health and good life.
