# Gardiner's Duct Cleaning tackles dust, makes breathing easier

Dust can be more than just an annoyance if you don't do something about it.

Not only can it be a constant source of work come cleaning time, but it can also irritate your eyes, throat and cause breathing problems.

That's why more and more residential, industrial and commercial customers are calling Gardiner's Duct Cleaning to tackle this problem head on.

It's a procedure that takes very little time compared to the amount of time clients enjoy clean dust-free air in their homes and it's further beneficial in that it reduces heating and cooling costs.

*For a limited time, Gardiner's Duct Cleaning is offering free airside furnace cleaning and free deodorizing with the purchase of duct cleaning.*

The procedure is simple. Sam first closes off vents and makes an opening in the main duct. Then, while the vacuum unit sucks air into a holding chamber, a hose is put into the upstairs vents, one at a time, and blows the dust and dirt into the downstairs unit.

"Dust will not only affect your health but ruin furniture and draperies," says Sam. "Having your ducts cleaned cuts down on cleaning and adds life to your furniture, carpets and drapes."

Sam also provides chimney sweeping at competitive prices with service that is always friendly and courteous. Caps and screens are also available to keep out unwanted pets.

Gardiner Duct's expert in the trade, Sam, also says if you are thinking of renovating your basement, please ensure you can access your duct work. Call 416-282-3292 for details on renovating around existing duct work.

In addition, there are two new services available with the purchase of duct cleaning, dryer duct cleaning for only \$20 and brick and stone fireplaces cleaned with free estimates available on request.

Gardiner's Duct Cleaning provides an affordable, long-term solution to home dust build-up. Deodorizing is also available upon request.

Appointments are available seven days a week from 7 a.m. to 10 p.m. Customers from Markham to Scarborough to Oshawa, have relied on Gardiner's Duct and are now enjoying a healthy home environment.

Isn't it time you did too?

For details, call Gardiner's Duct at 416-282-3292.
