Legion celebrates its accomplishments

BY JOAN RANSBERRY
STAFF WRITER

The Stouffville Legion is inviting the community to a wine and cheese reception Sunday, Sept. 20 to help celebrate the coming of Legion Week.

"We'd love to spend an afternoon answering questions and tooting our own horn," legion spokesperson George Lovett said.

The legion is proud — in the past year, Branch 459 has donated \$10,000 to the community.

The legion helped the hospital food bank, minor sports, track and field, Ride for Sight, Mobility Transit and many of the activities of our

schools," Lovett said.

"And, one of our students won first prize in the Remembrance poster contest held right across the country."

Branch 459 was founded just after the second World War, while the cornerstone of the Stouffville Legion was laid in 1947. Prior to having the building on the Ninth Line, the veterans met at various locations.

Membership in the legion is declining, however, and veterans attribute the drop in numbers to their age.

"The average age of veterans from the last war is 76, but we do have a growing membership in associates (relatives of veterans)."

To further celebrate, the legion will

host a special event for its ladies auxiliary. The men will cook and serve a dinner on Thursday, Sept. 24.

George Lovett remembers his years of service with the help of a picture during the war.
