AN OPEN LETTER TO THE ELEMENTARY TEACHERS OF THE YORK REGION DISTRICT SCHOOL BOARD

The trustees of the York Region District School Board want you to know we value you and the contribution you make to our children's education. We want to state clearly that the rumours and misinformation being circulated about the contract negotiations are wrong.

Our position, tabled with your union, is that the conditions of work you currently have as of the first day of school would be FOR THE DURATION OF THIS COLLECTIVE AGREEMENT (minimum two years).

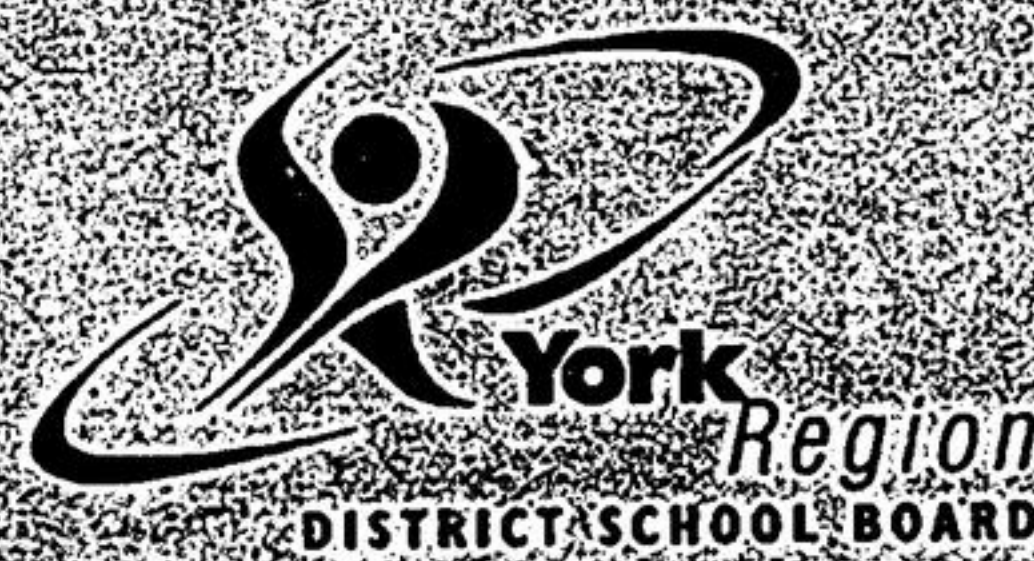

Your salary, benefits and working conditions remain exactly as they were on the first day of school. There have been no changes - and we are not seeking any further changes.

This school board does not want a strike. It would serve no purpose. The contract we put forward fulfills our legal requirements and protects our children's programs.

We understand your frustration. These are anxious and difficult times but at the very least you are entitled to know the facts.
