Major novices gain split

The Stouffville Birkett-Hassard major novice Clippers left little doubt who was the better club when they faced Noble King at the rec centre last Wednesday.

Paced by a three-goal effort from Evan Tsipopoulos and two from Justin Lacey and Kyle Miller, the Clippers skated to an 8-2 win. Nathan James added the other marker.

Liam McNeely earned two assists while Wes Wittenbols and Jeff Kavtuk each had singles.

The following night, however, the Clippers suffered a 4-3 loss to Markham.

Miller scored all three goals for the Clippers. Jeff McGuckin, Mitchell Raithby and Richard Downing had assists.

second and third periods with his team clinging to a 3-2 lead.

"We went over a few things and they came out and executed well in the third period. Everybody played well. It was a team effort, and that's what we need to win."

The win, their second in three games, lifted the Spirit's season record to four wins and five losses, moving them into a fifth-place tie with the Wolves in the 12-team Central Conference.

The visitors opened the scoring mid way through the first period. Dave Zelasko squared things on a power-play goal and Mike Micheff scored to send the Spirit into the second stanza ahead 2-1.

The teams traded power-play markers in the middle period with Rob Knuff collecting the Spirit goal.

Kevin Edgar made it 4-2 just 30 seconds into the third with another power play tally.

Edgar, who missed a break-away opportunity seconds earlier, snuck a change up past Wolves goalkeeper Robert Rondinelli from in close.

Defenceman Jeff Cochrane clinched things with a pretty goal at the 11-minute mark. The Spirit outshot the Wolves by a 27-19 count on the night.

Spirit captain Jason Ellis set up three Spirit goals.

Phil Barski added to his team leading points total with a pair of set ups, giving him eight goals and 15 assists. Cochrane also added an assist.

Cory Lloyd was outstanding in the Spirit net when called upon,

ATHLETE OF THE WEEK

COREY LLOYD

Corey was outstanding in goal, helping the Spirit of Stouffville to a 5-2 win over the Shelburne Wolves Thursday night at the rec centre. It was Lloyd's first victory of the year!

blocking 17 shots to earn his first win of the season.

"I was seeing the shots well and my defence played well in front of me," said Lloyd, who suggested the breakthrough win would help boost his confidence.

Perrin said Lloyd's stellar play helped inspire the rest of the team.

"We got a strong game from Cory, especially on penalty kills. That adds confidence to the players on the bench."

The Spirit got an inspired effort from veteran Scott Martin. The winger provided impressive forechecking and relentless penalty killing.

"Scott played very well," noted Perrin.

Martin said he was just happy to be given a chance to show what he can do.

"I got some ice time, I just like to play," said Martin.

Ellis said the victory is proof that a three game losing streak endured previous to the team's return to form was just a speed bump.

"You can see the team is improving," said Ellis. "We've still got to pick it up, but we're definitely going up."

Spirit owner Ed Hakonson was encouraged to see his team perform at such a high level against a

team like Shelburne.

This is the best our guys have looked this year, considering the level of the opposition," said Hakonson.

The Spirit play host to the Huntsville Wildcats Thursday at 7:30 p.m. at the rec centre.

Spiritually speaking, The Wolves had asked the Spirit to postpone Thursday's game at the start of last week so they could travel to Michigan for a college weekend tournament beginning Friday morning.

The league approved, but Hakonson refused, noting that the ice time was already booked and couldn't be changed at such short notice.
