ACROSS CANADA A TRAVERS LE CANADA

ISO 9001
CERTIFIED

CGI

CERTIFIED
ISO 9001Don't you wish the road to success didn't
also mean the drive to the city?

You...

...are seeking an entirely fulfilling career.
...have the drive and determination to join our strong team of managers and professionals.
...are comfortable in an environment characterized by teamwork, ongoing training and professional development.

CGI...

...is the largest Canadian-owned, independent information technology consulting firm.
...employs over 7,500 professionals across Canada in the U.S. and the U.K. and has forecasted annual sales of \$1.1 billion.
...maintains an employee turnover rate that is one of the lowest among IT companies.

Business Analysts

You will analyze and develop project and systems specifications for external clients. As the key liaison between the client and programming team, you will draw upon your excellent written and spoken English communication skills and background in Property & Casualty Insurance and/or Life Insurance to respond to client concerns and actively participate in all development phases from project planning through implementation. Your ability to multi-task in an environment of changing priorities is critical, as is an understanding of business practices.

Programmer Analysts

You will maintain and enhance existing systems, analyze system requirements, write and test programs, and add new program features. In addition, you will participate in system implementation and technical design sessions, and troubleshoot system-related client concerns. Complementing your university degree in Computer Science, you have a background in Property & Casualty Insurance and/or Life Insurance to effectively respond to client concerns. You also have a thorough knowledge of COBOL, CICS, Oracle, VSAM, VM/CMS, and VM/VSC.

In both of the above positions, flexibility to travel and the ability to clearly communicate your ideas verbally or in writing are essential. CGI welcomes individuals who are comfortable in a client environment and work effectively in a team situation.

To apply, please forward your resume by e-mail to recruitment.rh@cgi.ca or by fax to (905) 771-5326.

We thank all candidates for their responses, but only those selected for an interview will be contacted. No telephone calls or agencies, please.
