

# ONTARIO GOVERNMENT NOTICE

**AN INVITATION TO COMMENT ON THE ENVIRONMENTAL ASSESSMENT FOR THE PROPOSED HIGHWAY 404 EXTENSION FROM DAVIS DRIVE (YORK REGIONAL RD. 31) NORTHERLY TO HIGHWAY 12**

**THE ENVIRONMENTAL ASSESSMENT ACT SUBSECTION 6.3**

## NOTICE OF SUBMISSION

The Ministry of Transportation (the proponent) has submitted an Environmental Assessment (EA) for a proposed extension of Highway 404 from Davis Drive (York Road 31) Northerly, to Highway 12 (see key plan) to the Ministry of Environment (MOE). Approval under the Environmental Assessment Act (EA Act) is being sought for approximately 45 kilometres of new four-lane divided highway with controlled access extending northerly from Davis Drive to Durham Road 23, and a 9-kilometre transition section between Durham Road 23 and Highway 12.

This EA has been submitted in accordance with a transitional process implemented with amendments to the EA Act, which came into force on January 1, 1997. Under subsection 12.4(2) and 12.4(3) of the EA Act, certain provisions of the former and the new Part II of the Act will apply to this environmental assessment.

Under these new provisions there will be one opportunity, after the Notice of completion of Review is published, to make submissions and request a hearing. MOE is also proposing to apply the new provision which would allow a hearing to be requested either on the whole environmental assessment or only on particular matters of concern. MOE will consider requests to refer matters to mediation, as appropriate.

MOE has, at the proponent's request, applied the provision of Section 12.2 of the Amended Act, with respect to activities permitted before receiving approval.

You have the right to submit comments on the proposed undertaking, the environmental assessment and the proposed application of any particular new provision of the Amended Act to this EA.

## LIBRARY NEWS: There's plenty happening during Library Week

# Help find names for the furkin and the dragon

It's Library Week, and while it's not one of your major holidays, there will be a little more excitement than usual at the library.

It's not every day you can walk into the library and test yourself with some tough riddles, take a guess at how many bookworms are in the container (which is different from how many may be in the library at the time), or enter the Name the Furkin contest.

What's furkin, you ask? Well, it's a blue. Gotta be seen.

Not to mention the new dragon at the library who also needs a name. This purple fire-

breather is quite the charmer. We look forward to seeing all the name suggestions for both these characters.

This year there will also be a few programs this week.

The movie being shown tonight, 7 to 8:30 p.m., is *Seven Sinners*. See a young John Wayne and Marlene Dietrich in this 1940 black and white film presenting this conventional scarlet woman story with the finest edge of satire.

On Wednesday, at 2 p.m. there will be an hour-long program for younger children. It will incorporate a puppet show, story telling, and a puppet craft.

There is a \$1 charge per person.

The Thursday night movie this week, 7 to 8:30 p.m., is *The Virginian*. Gary Cooper is terrific in the title role as a fun-loving but tough ranch foreman who has to face the worst task of his life when a friend falls in with an outlaw.

On Saturday at 2 p.m., *Halloween Pranks 2* will be performed by a theatre group. Suitable for ages four to 11, there will be mystery, magic, shadows, songs and stories. Admission is \$2 per person.
