ABOUT TOWN

Delicious food, fast

Sinfonia Italiana Ristorante offers authentic homemade Italian food, excellent prices and friendly service

For the past year and a half, Sinfonia Italiana Ristorante has been providing residents a place to go that offers large portions of delicious homemade Italian food, fast and friendly service and excellent prices.

"Those are the three ingredients that have always been here," said Paris Almassi, who owns the restaurant.

Sinfonia gives the words fast food a whole new meaning by offering an express lunch that is perfect for shoppers and business people who want a delicious lunch, fast.

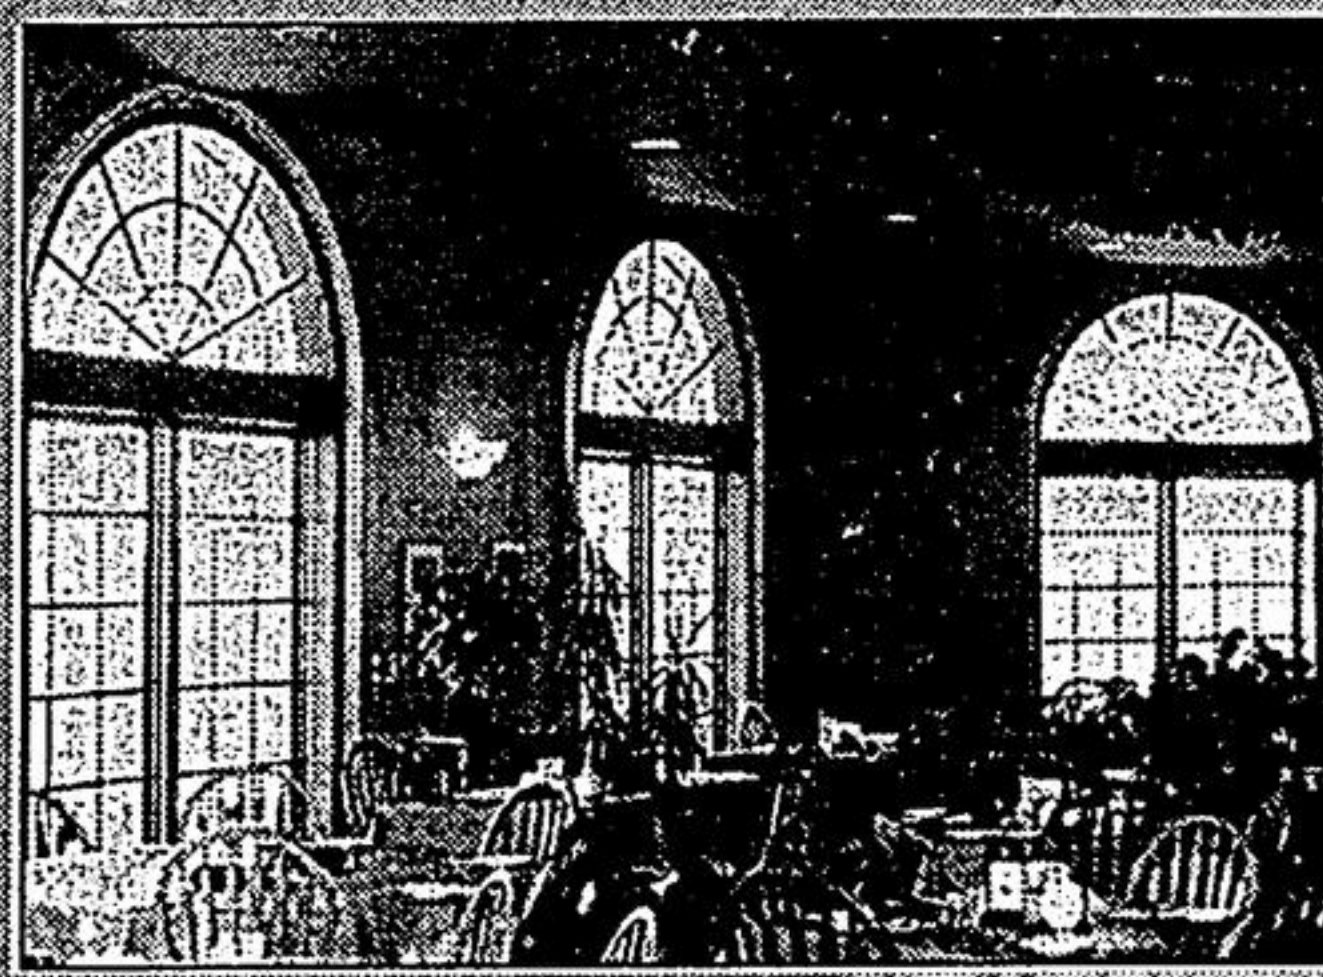

Customers can choose a variety of items off Sinfonia's hot table. Items include fresh pastas with a variety of sauces, meat dishes and thin-sliced pizza made in a traditional stone oven. There is also a salad bar.

Sinfonia is open for lunch Tuesday to Friday from 11:30 a.m. to 2:30 p.m.

At night, Sinfonia is the perfect place to take the family out for dinner or to meet friends for a coffee and dessert.

For the last year and a half we have been trying to get to know the taste of neighbours. Very soon we will revise the menu to (suit the needs) of the neighbourhood.

On top of the extensive menu, Sinfonia also offers an assortment of
