**505** careers

**Q-INTER** Q-INTER is dedicated to providing quality business software solutions by working with our clients in a unique collaborative manner that we call QUALITY INTERACTION. We are looking for career minded individuals to join the Q-INTER team in the fast paced and exciting world of software solutions. We provide a positive team oriented environment with competitive salary and incentive remuneration.

**SOFTWARE SUPPORT SPECIALISTS** - We are looking for dedicated customer support specialists to assist us in providing a world-class software support. Candidates must have proven experience in providing software applications support for Windows based business applications. Experience working in a software re-sale or VAR environment is an advantage. Suitable experience may include accounting/distribution/manufacturing or general software support.

**PROJECT LEADERS-SYSTEM IMPLEMENTATION** - Candidates must have previous experience in managing systems implementation projects. Responsibilities will include providing training and implementation of middle market accounting and business software. Consultants will take the lead role in managing software package implementations, define project scope, plans, schedules, and documentation, and translate client business needs into concrete project goals. Candidates should possess a University Degree, professional accounting designation (CGA, CMA, CA) or equivalent experience. Experience with mid-market business software such as Solomon IV, NAVISION, Great-Plains, Platinum, Macola, TRAVERSE or other similar application is an asset.

**SOLOMON IV CONSULTANTS** - We are looking for experienced career minded individuals to join our growing Solomon IV practice. We are looking to add consultants, developers, customer support, and sales professionals to our team. Proven experience working with SOLOMON III or SOLOMON IV or have certification(s) SCFS, SCSE, SCADD is desirable. Candidates with working experience with SOLOMON in a controller, bookkeeper or systems support role are also encouraged to apply.

**VISUAL BASIC DEVELOPERS** - Candidates must have proven Visual Basic development skills in a business software environment. Database driven and project oriented experience is a must. Developers should possess a minimum of 3-5 years working experience in programming and software development. A University degree or other post-secondary education is a distinct advantage but not essential. Microsoft Certification, MCSD or MCSE preferred and will be encouraged of all candidates.

**WEB WIZARDS - MICROSOFT BASED** - Candidates must have proven web development experience using Microsoft Internet technologies, Visual InterDev, VB Script, Active Server Pages, Internet Information Server, SQL Server. Hand-on experience and knowledge of FrontPage is mandatory. Experience with database driven web-sites and e-commerce projects a definite asset. Microsoft Certification as a MCSD or MCSE is preferred and will be encouraged of all candidates.
