

# Town Centre – a Montessori school and so much more

Town Centre Montessori Private Schools was excited to learn recently that their Gr. 6 students won top honours in the Pythagoras Mathematics Competition. The school ranked number two overall across Canada, and number one in Ontario, out of over 900 schools, and 21,000 students. Mrs. Marianne Vanderlugt, Principal, explains that "our students are taught by highly dedicated and experienced staff, in classes featuring very low student-teacher ratios. We focus on the

traditional academic subject areas, while encouraging each student to work at his or her maximum capability. This results in the students being enthusiastic about their work, and scoring high on tests and in competitions."

TCMS is one of the largest Montessori pri-
