

GUARANTEES

Funny that most financial planners have just recently discovered this important concept when planning their clients' financial affairs.

At Ross Dixon Financial Services investments with guarantees have always been a part of our stock in trade.

FEDERAL AFFAIRS

Government should keep Pickering lands, MPP

FROM PAGE 1.

ways not to tear out the tracks suburban commuters may one day use.

He's also helping the province and Toronto put together a private-sector deal to renovate Union Station, which, Collette said, would bring more GO trains to York Region.

The minister favours trains as a solution, arguing the more roads you build, the more traffic and development you encourage.

"We have let Toronto sprawl too much," Collette said.

"The planners have allowed places like Richmond Hill and Markham to

become an extension of Toronto."

And he suggested the massive federal holdings in Pickering and Markham, land his department is preparing to reserve for an airport, may never be needed for one.

LANDS BEAUTIFUL

Flying over them recently, he said, he realized how beautiful the Pickering lands are.

"This is an area that is frozen in time," Collette said, adding in 20 years the government might choose to preserve it as farmland or parkland.

In the meantime, it "would be negligent" for the government not to keep the lands, he argued.

DO YOU OWN FIREARMS?

What does the new Firearms Act mean for you?

1. As always, safety comes first. The firearms safety course and test, and the rules for storage, display and transportation, which are part of the current law, are now part of the *Firearms Act*.

2. Everyone will need a firearms licence in order to register firearms (your FAC is considered a licence). There are 2 types of licences (valid for 5 years):

- possession (for the firearms you now own)

OR

- possession and acquisition (if you plan to obtain firearms, even if you own firearms now)

3. Registration of all firearms begins December 1, 1998. All firearms must be registered by January 1, 2003. You register your firearms only once. You may do so at one bulk price (one price for any number of firearms you register all at the same time).

4. Fees for licences and registration are on a sliding scale. It's cheaper in the first twelve months.

Possession licence	\$10	December 1998 - November 1999
Possession and acquisition licence (non-restricted rifles and shotguns)	\$60	from December 1998 onwards
Registration (bulk)	\$10	December 1998 - November 1999

5. You can get licence and registration forms at the post office, or by calling, toll-free, 1-800-731-4000.
