KAREN, another year passes my love for you continues to grow. Few people are fortunate enough to meet their one and only true love, their soul mate. The first time I saw you I knew you were mine. All my life I'd waited for you. You may be gone now, but one day, another life we'll be together again. True love knows no bounds.
Your love was the greatest gift of all.
Time hasn't changed how I feel, I still miss: the soft feel of your skin, the joyous sound of your laughter, the sweet scent of your hair, the warmth of your breath on my neck, the passionate glow in your eyes. I miss your tender loving caresses, the magic of your love was there stronger than any words could convey. I never wanted or could be in love with anyone but you. When I promised "I love you" that was forever! They say, "true love last forever and a day", it lasts **FOREVER AND ALWAYS.**
Michael
