## IPC Total Satisfaction Guarantee

We're so confident you'll be happy with your IPC system, we offer a 30-day money back guarantee! This offer covers all IPC workstations featuring Windows 98 and all server hardware. Returned systems must be complete and in re-sellable condition with all accessories and software included. Shipping charges, cost of opened software packages and used consumable items will not be refunded.

Systems must be registered online to receive full system warranty benefits. All desktop systems come with a three year parts & labour warranty, with 1st year onsite service. 1st year onsite may not be available in all areas, and does not cover monitors, printers, network accessories, etc. All IPC notebooks come with a 2 year limited warranty and do not include onsite service. Technical support for software and operating system are for a period of 90 days from original date of invoice. Toll free support hours are from Monday to Friday, 9AM to 7PM EST. Configurations and pricing subject to change without notice. Shipping charges and applicable taxes are not included in the prices shown. Shipping is FOB Markham, Ontario. Due to CRTC regulations in Canada, downloading is restricted to speeds less than 56KBPS, and connections speeds may vary. Intel, the Intel Inside logo and Pentium are registered trademarks and MMX is a trademark of Intel Corporation. IPC and IPC logo are registered trademarks of 3D Microcomputers. Systems may not be exactly as shown. Server software is approximately \$2300 and will be deducted if system is returned for refund.
