

Cookies For A Good Claus.

There's someone who works hard during Christmas every year. You know who he is. The next time you visit Loeb, ask, and you'll receive complimentary cookies you can set out on Christmas Eve for a deserving Santa Claus. And while you're in the spirit of giving, remember the less fortunate by donating generously to our charitable collection bins, located at the front of our stores. What a wonderful way to show someone how special they are this Christmas all you need is a little imagination.

While quantities last, Santa's watching his wish list!
