and some guys had the flu." Barski said.

"And with Jason Ellis (former Spirit defenceman and team captain) traded, we just don't have the depth we'd like. It's just unfortunate that we had three games in three nights at this time."

But Barski is optimistic the team will bounce back.

"We'll do fine. This isn't a sign of things to come."

The Spirit get the chance to avenge the loss to Thornhill when the Rattlers come calling Thursday for a 7:30 p.m. rec centre match up.

Pride to give exhibition skate

Michael Pride will make a brief stop off at the rec centre Friday as he prepares for the Canadian Figure Skating Championships at the end of the month.

The 20-year-old Stouffville resident is to perform a special 15-minute exhibition program at the local arena in front of members of the Stouffville community.

Pride is to contest the senior men's event at the national finals in Ottawa.

He qualified in his first year at the senior level by placing sixth overall at the recent Eastern Canadian Figure Skating Championships in Thornhill. He is a long time Stouffville Figure Skating Club member who still represents Stouffville in provincial and national level competitions.

Mayor Wayne Emmerson will present a bursary cheque to Pride. The funds are earmarked for Pride and other Stouffville club members competing at high level events.

Club president Kim McDonnell said Pride's rec centre performance would provide an opportunity for local residents to see him perform live before he heads off to the nationals.

ATHLETE OF THE WEEK

JASON ELLIS

The former Spirit of Stouffville captain was traded to the Aurora Tigers last week after two solid seasons with the Spirit. Jason, who lives and works in Stouffville, had a goal and an assist as the Tigers downed the Spirit last Thursday night at the Rec Centre.

Thanks for the memories Jason!

how us old guys used to play outside."

Gibson said plans to schedule in an eighth game were scrapped due to the full list of activities engaged in by the Stouffville group.

But in the end the Clippers were ready to keep on playing, said Gibson.

"Most of the boys wanted to stay another week and play some more hockey."

The unseasonably warm weather contributed to the enjoyment of the trip, said Gibson.

"There were a few hiccups along the way but overall it was very successful and educational for the kids and the adults."
