Phase III of 36' and 46' WideLots™ Opens Today.

Unionville is a very unique community. Mattamy is a very unique builder. And King's Walk is the perfect setting for Mattamy's original WideLot™ homes.

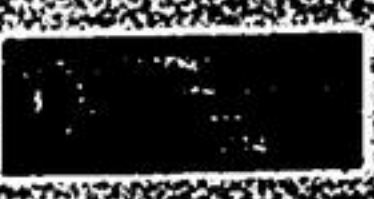

These homes offer a wide open welcome with wider frontages and front porches. And the interior of the home is opened up with natural light that floods into the home because of the WideLot™ design.

Find out what Rosemarie and Mike have already discovered. Mattamy WideLot™ living in King's Walk is a regal experience. And if you'd like to secure one of our Phase III homes, we suggest you enter King's Walk running.
