## KICKS wins Best Dance Studio

It all started 15-years-ago in a church basement on Main Street Markham. My dream was to teach tap dancing to children. I wanted to share my love of this challenging, exciting and, most of all fun, dance form. I started with 50 students and now have over 400 students.

Kicks Dance Studio offers classes in tap, jazz, ballet, musical theatre, song and dance, stretch and strength and technique classes.

All of the classes are taught by qualified, professional teachers who teach the children in a positive, encouraging and fun way. This helps build self-esteem and confidence in students of all dance abilities.

The combination of fun and excellent teaching has led to many outstanding accomplishments by our students.

For the third year in a row, tap dancers from Kicks were chosen to represent Canada at the World Cup Tap Dancing

Championships in Germany. This year they won the gold for Canada! Kicks' senior tap group, Rhythm Tap, placed sixth out of 319 entries at the Showstopper National Dance Championship in Myrtle Beach, July 1998.

Four of my dancers are also dancing professionally with singing star Rick Sonata. They will be at the Royal York Hotel on Feb. 13. Dance teacher and former student, Courtney Niven auditioned and was chosen to be a member of the Toronto Raptors Senior Dance Pack.

Kicks students have also performed on tv, in movies, fashion shows and many other professional performances.

Thank you Markham and Stouffville for choosing Kicks as your Readers Choice Award recipient.
