Blockbuster Video Canada is proud to serve the people of Markham. Known as Canada's family entertainment store, Blockbuster is committed to meeting the entertainment needs of the Canadian family — by providing a fun and exciting shopping experience. Visiting Blockbuster is like stepping into the world of home entertainment. You can choose from a wide selection of products including: movies, music CDs, snacks, magazines, licensed products, studio merchandise and a great selection of all the latest video games. As part of its continued commitment to the community, Blockbuster announced their national sponsorship of the Children's Miracle Network. Individual Blockbuster stores will be

organizing and participating in fund-raising events where all proceeds raised for the charity stay in the local area. Blockbuster looks to the future as they evolve into the full-service entertainment outlets of tomorrow. As we looked to them in the '80s to set the standard for home video, the Blockbuster of the '90s is committed to satisfying the growing entertainment needs of consumers. Their latest innovation is the Blockbuster Gift Card. It's a pre-paid electronic card that works just like cash for anything in the store, and is available in several denominations. Blockbuster would like to thank the readers of the *Markham Economist* and *Stouffville Tribune* for their business and support — and remind you to make it a Blockbuster night.

## WOULD YOU SLEEP BETTER TONIGHT KNOWING YOUR CARPETS ARE BOTH CLEAN AND DRY? "IMPORTANT FACTS YOU SHOULD KNOW ABOUT PROFESSIONAL CARPET & UPHOLSTERY CLEANING!"

Your contact should first be with an experienced trained professional who provides a commitment to excellence in both performance and value while delivering prompt, courteous and reliable service competitively. A superior carpet cleaner experienced in the art of soil and dirt removal always first pile-lifts and pre-vacuums a carpet before actual cleaning. Special attention is given to fine detail

such as the removal of dirt build-up at the baseboards and work is performed by hand where necessary. Most stubborn stains from pets and various spills are removed with the use of safe, non-toxic products specially formulated and proven to be effective in service. Above all, when the work is done, your carpets and upholstery must have a fresh clean smell and new-like appearance.

### ANOTHER SATISFIED CUSTOMER

ROTO-STATIC MARKHAM/UNIONVILLE has been providing quality service coupled with honesty and integrity since 1978 and guarantees in writing, specifically: no soapy residue or over-wet carpets. The Roto-Static process uses very little water which allows the carpet to dry quickly, in as little as 1-2 hours with no shrinkage or stretching...no mildewing or damage to carpet fibres.

For complete information or answers to any of your questions without obligation of any kind, I invite you to call. We offer free quotations in your home and do not telephone solicit!

Dear Markham/Unionville residents:
