

Beat the blahs at Royal Frolic

Guests at the Royal Frolic are in for an evening of fun and surprises.

The annual dinner and dance, in support of Evergreen Hospice, is set for Friday, Feb. 12 at York Downs Golf and Country Club.

"This event is a great way to get rid of the February blahs," said chairperson Lina Bigioni.

Fine food and dancing will be accompanied by a silent auction, featuring a wide assortment of goods and services donated by local merchants and companies.

Evergreen Hospice provides supportive care for people in Markham and Whitchurch-Stouffville who are dealing with a life-threatening illness.

Tickets are \$90. Call the hospice at 472-5014.

OUR MARINATED FLANK STEAKS

In these days of unpredictable weather, it's good to buy with versatility in mind. Our flank steaks are such an item. Cooked indoor or outdoors they're just the best! How do you do them in your oven? Bake them at 375° - 400°F for 15-18 minutes on your broiler pan.

WINTER BLUES?

We've got them! Fresh picked blueberries from Chile. They've just arrived and they'd perk up a fruit bowl, a cereal or a bowl of vanilla ice cream just fine.

OUR DELI ROAST BEEF

Next to our assortment of hams, this is our best-selling deli meat. The reason is (a) we cook it pink, (b) we use the centre cut of an inside round rump roast and (c) we trim it lean. Although most use it for sandwiches, try it at room temperature with some good olive oil and balsamic vinegar.

CRAB AND RED PEPPER PATÉ

This is the perfect 'Apres Ski' or after driveway shovelling item. Just slice it in cracker size slices, pour yourself a little glass of wine and relax. It's that easy.

FRESH GREEN BEANS!

Three times during a winter week and four times during a summer week, I get up early and take our truck down to the Ontario Food Terminal where I and about 1000 (or more - I've never counted them) other produce store owners or buyers shop for fresh produce. It's the hub of the produce business in Ontario. It's a huge horseshoe-shaped strip-mall of produce importers, merchants and vendors who specialize in a few things or another, some tropical, some potatoes, some tomatoes and so on. We look for the best quality that we can find, regardless of the price. Some buyers only look for the price and some make compromises between the two. Last week when I couldn't find good beans - I didn't buy any at all. It seems that the winter growing areas were either too cold or too wet - both a scourge of the bean business. Weather changes as you know and this week we have excellent beans for those of you who are hungry for great beans.

Enjoy them!

BAKERY NEWS!

Many of you will remember a while back when we promoted Doreen's lemon meringue pies. We had some difficulty from time to time with the thickening of the lemon filling - it proved difficult to do in large batches, smaller batches work just fine though - so every Saturday morning we'll have two dozen of these beauties for sale - First come first served.

Secondly, we've been working on an old fashioned Mennonite recipe for "Schnitz Pie". It's an open face chunky apple pie with a seasoned sour cream and cream filling - It's to die for. They'll be available beginning this Friday afternoon.

Thirdly, we've made some old fashioned pineapple upside down cakes using our fresh golden super sweet pineapples. They're available now.

OUR SMOKED CHICKENS

Ever had a Smoked Chicken? They're one of the more delicious items to come from our smokehouse. Whether you cut them to eat piece-by-piece or cut them to use in a pasta sauce, they have a uniquely scrumptious flavour.

We use our air-chilled chickens, cure them and slowly smoke them (using oak) until they are fully cooked. We like them with any of a variety of condiments from red pepper jelly to chutney.

FRESH PEACH PIES

It's really great to be able to enjoy a taste of summer even now. And speaking of taste, we use Cling Peaches (which have an edge in flavour) and delicately season them to what I think is peach pie perfection.
