Cornercopia wins best gift shop

It has often been stated ... "If you can't find it at Cornercopia, you don't need it." That's what makes it such a shopping experience.

Owner Frankie Rose, credits the success of Cornercopia to the unique, personally selected items seldom found elsewhere.

There truly is something for everyone. Whether it be welcoming a new baby, congratulating a bride or sending a gift to a corporate client, you'll find it at Cornercopia.

If its pampering yourself you're interested in ... there's home decor, personal and home fragrances, as well as garden accessories, candles, stationery, gourmet sweets, relaxing music and books.

Cornercopia has an extensive collection of greeting cards.

"We're often told we have the nicest selection of cards anywhere," adds Frankie, noting the card selection is individually cho-

sen as well.

What could possibly make this store more complete? Beanie Babies of course!

Not only is Cornercopia the place to go for hard-to-find gifts, it is also a place where people know how to treat their customers.

"So much of the success of the store, or any business, is the people. Not only the ownership, but the people that greet the public everyday," notes Frankie.

Frankie prides herself in her staff — friendly, meticulous, creative and always helpful.

Don't just drive by enjoying the window, go in and experience it.
