# Berth on national team a possibility

FROM PAGE 19

"They offered him an apartment, but he would have had to have his mom or dad stay with him because of his age," said Richard.  
 While his son is thrilled to be playing at such a high level, the distance factor has taken some getting used to.  
 "The loneliness is a big thing," said Richard. "We racked up \$800 in long

distance bills the first three weeks. But he's getting used to it."

**RYAN ZONNEKEYN**  
 Has adjusted to living in Belgium.

Ryan, a right mid-fielder/right forward winger, has been told he'll be given a chance to try out for Belgium's national team next season. Ryan's soccer skills have advanced rapidly since he started out playing six years of house league in Aurora beginning at age four.  
 After advancing to the rep level for one season, he moved on to Markham where he played a year of Premier soccer. At the age of 13, Ryan played with the North Scarborough Strikers Elite level squad that went on to win a provincial championship. He was with the Glen Shields Select Elite team two seasons ago, and had a stellar 1998 season as a member of the Wexford Warnors provincial level outfit.  
 Ryan hopes his big break in Belgium is just the beginning.  
 "Ryan wants to make the top level European soccer league eventually," Richard revealed.
