Gun used in robbery at restaurant

An employee and two customers of a Shields Avenue Subway shop were robbed at gunpoint Monday night.

Two suspects entered the Subway, in the 14th and Woodbine Avenues area about midnight, one armed with a silver handgun. They took cash from the till and robbed both teenage customers and the 18-year-old employee as well, making off with about \$550.

Police described the suspects as black males, both five-feet-10-inches tall. One was wearing a red jacket and had pulled his shirt over the bottom of his face. The other was wearing a green jacket with a hood, had pulled his shirt over his lower face and was armed with a silver handgun.

Anyone with information is asked to call 881-1221 or Crime Stoppers at 222-TIPS.

A 31-year-old Markham man is charged with fraud and public mischief after he falsely reported being abducted and robbed last month.

Police said the man told officers he was abducted from a convenience store parking lot east of McCowan Road on Jan. 8 by two men.

He said they drove him to several bank machines across the GTA and forced him to withdraw \$3,000 cash.

Police charged him Tuesday.

Computer equipment stolen

More than \$100,000 worth of computer equipment was stolen from a Renfrew Drive business Monday.

Thieves pried the front door of GN Nettest Canada Inc. about 8 p.m., taking a large quantity of laptop computers and other equipment.
