

COMMUNITY NOTES

High school reform meetings set

With the arrival of secondary school reform in September, Grade 8 students and their parents will have many questions and concerns about the new system.

Markham District High School and Markville Secondary School are hosting information evenings to answer those concerns, and to help inform those affected by the changes to make wise course selections for the future.

The MDHS information night is March 24 at 7 p.m., while the MSS evening is March 25 from 7 to 9 p.m. Both will be held at the schools.

Bottle drive supports MYT

If you're looking to get a pile of empty bottles out of your "hair" today's the day.

Members of Markham Youth Theatre will go door to door, collecting bottles as a fundraiser for its production of Hair, as well as Jesus Christ Superstar.

Troupe members will concentrate on Markham Village and the Raymerville area.

Anyone who'd like to help out with a donation can call (416) 410-4001.

Voices raised for Easter concert

An Easter concert featuring members of both the Heritage Singers and the Philharmonia Society of Markham is planned for next Saturday at 7:30 p.m. at the Markham Baptist Church/Centennial Community Church.

The evening also features an Easter drama with music from Jesus Christ Superstar performed by a local high school choir.

Tickets are \$20 at the door. The church is on McCowan Road, south of Hwy. 7.

Stouffville's newest pub opens

The newly opened Lion Pub and Restaurant in Stouffville boasts one of the longest bars — 38 feet

— in the area.

The atmosphere is classic British pub, serving a variety of traditional beers from England, Ireland, Scotland and Belgium along with a choice of domestic brews.

Before establishing the Lion on Main Street, owner Graham Hood opened the Earl of Whitchurch.

Doctor's office supports food bank

A Main Street, Markham doctor's office is the place to drop off food bank items.

The family practice office of Dr. John Gannage is at 300 Main St., and items can be dropped off Monday to Thursday, 8:30 a.m. to 6 p.m.

Anyone who makes a donation of non-perishable food will receive a free reflexology treatment.

Toys through the ages on display

You are invited to see Canada at Play.

This is a special presentation at Markham Museum from April 3 to May 30.

Visitors will experience the different, and not so different, changes in the way children spend their free time during the past century.

Canada at Play is a collaboration of memories that people of all ages can enjoy. The exhibit explores the world of Canadian toys through these centres: introduction of winter sports, home activities, factory and handmade toys, and educational toys.

The museum is on Hwy. 48, north of 16th Avenue. Call 294-4576.

Crafts for sale

A spring fling craft fair in Stouffville boasts 14 vendors plus a bake table.

The show is scheduled from next Saturday, 9 a.m. to 3 p.m., at the Stouffville Legion on Ninth Line, and is sponsored by the Ladies Auxiliary.
