Markham Furniture — where reasonable prices and quality workmanship go hand in hand

BY LISA CARTWRIGHT
FEATURES WRITER

Visit Markham Furniture and discover beautiful high-quality custom-designed pieces made with luxurious fabrics and soft leathers, at unbelievable prices.

"Our mission is to provide excellent service, on-time delivery and, above all, quality workmanship," said owner Bill Rizk.

Rizk, the former plant manager for Barrymore Furniture, has over 23 years of experience in the furniture business and is well known among retailers, suppliers, interior decorators and, most importantly, customers.

Craftspeople at Markham Furniture can design furniture in a variety of styles including traditional, contemporary, modern, Victorian and Louis XV.

Markham Furniture also carries an extensive collection of high-quality fabrics such as cottons, polycottons, chenniles, jacquards and tapestry and Italian leather.

And despite the quality, Markham Furniture's prices are hard to beat.

"Our prices are approximately half of retail stores," said Rizk. "The prices range from \$1,099 to \$1,499 for a sofa in fabric, compared to \$2,000 to \$3,000 at retail stores."

GUARANTEED QUALITY

Markham Furniture is so confident of the quality of their workmanship, that they give a lifetime warranty on the frame and construction (springs) of the furniture.

"You break it, bring it back and we will fix it at no extra charge."

In addition to custom-making furniture, Rizk

and his staff offer reupholstery service which includes free estimates and shop-at-home. They also refill your flat cushions in a variety of foam firmness. In short, Markham Furniture is a full-house custom upholstery shop.

"We also offer a variety of leg treatments including Queen Anne, Chippendale, Ball and Claw and turned legs."

Markham Furniture is located at 1001 Denison St., Unit 12, which is located one block west of Warden Avenue. For details call 947-9575.
