### Announcing the opening of John's Hideaway

The Original Markham Mattress King.

John's come out of retirement for the summer months only. To open up shop in the village of Brougham (7 miles east of Hwy. #48 on Hwy. #7). John welcomes his thousands of old customers who purchased from him over the past 28 years. You do not need a huge 60 bed display to buy one bed, you're paying to display the other 59. Big is beautiful but its not cheap! Come see what good old fashioned value really is. John runs a small low rent store, almost no overheads and the sensible needed selection to satisfy my customers. Come see for yourself. No one ever beat John's values, come see, save a bundle, there's no place like this place anyplace.
