

# We are Proud to be Number 1 in Distribution

**These businesses and many more have chosen us as their flyer distributor in your community simply because no one can deliver results like we do.**

The Markham Economist & Sun and the Stouffville Tribune is delivered door to door every Tuesday, Thursday and Saturday and you can target your flyer distribution in any area of F.S.A. in our circulation area.

With a complete verification report, in-paper promotion of your flyer, a committed carrier force and rates as low as \$40.00 per thousand, you also can benefit from the same results our clients do.

We understand how important, timely and accurate flyer distribution is to your business and we do deliver results! From 1,000 to 46,375 flyers, let us show you what we can do for you.

For further information, or to book your flyer call your local Rep at 294-2200, 640-2100 or fax us back the attached coupon at 294-1538 and receive a special discount on your upcoming flyer distribution. Also ask about our services to design and print your flyers.
