To a Wonderful Father and Dear Husband:

 Not a day goes by that your name is not mentioned and your presence missed. Our children have grown into fine young adults with goals for the future that you would be so proud of. I can see you in both of them. You are mentioned so often by everyone who knew you. The cottage especially will always be a place where your memory is so strong and a feeling of peace and contentment is felt. You will always be remembered and loved. Don and we will carry you in our hearts forever.
 Love Margaret, Ryan and Sarah
