## PROPERTY TAX DEFERRAL FOR LOW INCOME SENIORS AND LOW INCOME PERSONS WITH DISABILITIES

REGIONAL COUNCIL RECENTLY APPROVED AN IMPROVED PROPERTY TAX DEFERRAL PROGRAM FOR LOW INCOME SENIORS AND DISABLED PERSONS

If you are a low income senior or a low income person with a disability living in York Region you may be eligible for a deferral of any property tax increase in excess of \$300 resulting from the province-wide reassessment.

To be eligible for this program the following criteria must be met:

- A **senior** will have attained the age of 55 and be receiving benefits under the Guaranteed Income Supplement (GIS) or the Guaranteed Annual Income System (GAINS) OR meet the Household Income Criteria described below.
- A **disabled person** is as defined by the Ontario Disability Support Program Act, 1997, and will be:
  - receiving benefits under the Ontario Disability Support Program (ODSP)
  - or receiving benefits under the Guaranteed Annual Income System for the disabled (GAINS) and be eligible to claim a disability amount as defined in the Income Tax Act
  - OR meet the Household Income Criteria described below.
- The **applicant** must have owned that property for which a tax deferral is being requested since January 1, 1998, and must continue to occupy it as their principal residence.

### HOUSEHOLD INCOME CRITERIA

Single person Household Income Less Than \$23,000  
Family of Two or More Persons Household Income Less Than \$40,000

All deferred taxes and accumulated interest must be repaid in full upon the sale or transfer of title to the property. However, the transfer of the property to the spouse will not trigger a repayment.

No interest will accrue on the deferred amount until January 1, 2006.

Applications for the 1998 and 1999 taxation years must be received by the Tax Office of your local municipality no later than June 1, 1999.

Application forms and additional information are available at the Tax Office of your local municipality listed below:
