general help

Lafarge, one of Canada's leading suppliers of construction materials has the following opportunity.

Aggregate Foreman (Night Shift)

Reporting to the Plant Manager, the successful candidate will give leadership and provide motivation to a team of employees involved in the production of aggregate at the Stouffville Site. Additional responsibilities include production and maintenance during the shift along with providing a safe working environment. There will be a requirement to work nights while the plant is running a double shift and days when the plant is running a single shift and/or on winter maintenance. Some Saturday work may be required.

You should have at least two years of post-secondary education preferably in a related technical program, with two years experience in the aggregate field. In addition to your strong organizational, planning and problem solving abilities, you are a self-motivated team player with excellent interpersonal and communication skills.

Lafarge offers a competitive compensation and benefits package. Starting salary will be commensurate with skills and experience. Applications must be received no later than June 2, 1999 and be addressed to:

Ron Graham, Plant Manager
P.O. Box 1029
Stouffville, ON L4A 8A1
Fax: (905) 640-6812

Lafarge is committed to the principles of equity in employment and encourages applications from women, visible minorities and persons with disabilities and members of Canada's First Nations.
