510 general help

At Shoppers Home Health Care Doncaster we know that success comes from continually meeting - and often exceeding customer expectations. In support of this commitment, we require a business-oriented self-motivated professional as:

INSIDE SALES REPRESENTATIVE, Six Month Contract (part time)

Your professional advice, service and client training will complement our wide range of home health care products. With three to five years of related retail experience, you ideally possess a solid knowledge of related supplies and services. A good listener, you are sensitive to people's health care needs and are able to promote our products within the health care community. You must be available evenings and weekends.

Qualified applicants are invited to send their resume, quoting Ref # ISR-BT to: Doron Levy, Store Manager, Shoppers Home Health Care Doncaster, 7310 Woodbine Ave., Markham, ON L3R 1A4. Fax: (905) 470-1478. We thank all applicants, however, only those to be selected for an interview will be contacted. An equal opportunity employer. **SHOPPERS home health care Doncaster**

Busy Markham location in a fine dining atmosphere, experienced waitstaff with wine service to join our team.
F/T & P/T, immediate start.
Chefs and sous chefs.
Fax resumes to 905-471-4318
Attention: Karen

SUBWAY STOUFFVILLE

ELECTRICAL ENGINEERING
Deam is a technological innovator in the design and manufacture of packing equipment and material handling systems for the dairy, food and confectionery industries. We require the following talented people to join our growing team.
Electrical Engineer
A Professional Engineer with excellent communications skills, you have at least 5 years of North American experience in the field of Industrial Control. You have extensive knowledge of programmable controller based systems and field installations. You will have project responsibility for complete electrical systems, including customer communications, system design, component selection, programming, documentation, testing, on-site installation and commissioning. You pay strict attention to detail and accuracy, and work well under pressure. Good mechanical knowledge and an understanding of machine principles are essential. Some travel required.
Electrical Control Technologist
A CET or equivalent, you have at least 2 years North American experience with packaging machinery. You have a good working knowledge of programmable controller based systems including Allen Bradley SLC 500. Good mechanical ability and an understanding of machine principles are essential. An excellent command of the English Language is required for writing of instruction manuals and customer training. Knowledge of Autocad is an asset. You will be responsible for programming & documentation, machine testing, field service and installations. Travel is required.
Location for both positions is Toronto.
Please indicate the position you are applying for and send your resume to:
The Deam Company Ltd.
9094 Leslie Street, Unit #1
Richmond Hill, Ontario L4B 3L9
Fax: 905-886-3325 E-mail: hr@deam.ca
