

Good food, Good service is key to Goody's success

Those who think the family restaurant no longer exists have to stop by Goody's restaurant at the Markville Shopping Centre.

Conveniently located in the Centre Court, Goody's has been serving quality homemade food at reasonable prices for the past 18 years.

Owner Frank Ampatzis, who runs the family restaurant with his wife and two sons, said Goody's is the "original family restaurant."

"We offer consistency in service and food," said Ampatzis. "It is a great place to take the family."

The spacious restaurant has a home-like atmosphere. Decorated in calming shades of peach and green, old advertisements for products and services decorate the walls.

A small ledge runs along the walls of the restaurant and dishes, figurines and other collectibles sit along it.

But atmosphere alone, doesn't make a good restaurant - service is also important.

"We have wonderful staff," said Ampatzis. Service is prompt and staff are cheerful.

Chef Lambros Drossos, has been working at Goody's since the

restaurant opened its doors. Prior to that he worked at a large family restaurant chain downtown.

"Chef Drossos and I have many years of combined experience."

Chef Drossos prepares Goody's specialties including crepes, lasagna, roast leg of lamb, prime rib, sirloin steak and a variety of burgers.

Customers can also try items like caesar salad, homemade soups, a variety of sandwiches

from grilled cheese to chicken

breast on a bun - as well as halibut fish and chips and more.

The restaurant also has its liquor licence as well as an extensive children's menu.

"What has made us successful is our excellent food, our friendly service and our reasonable prices."

Goody's serves breakfast, lunch and dinner. They are open regular mall hours and additional Saturday from 9 a.m. to 6:30 p.m. and Sunday from 11 a.m. to 5 p.m.
