The Black Pool was a Betz innovation. It's the most natural-looking and easy to maintain pool you can buy. And nobody builds black pools with uncompromising standards of workmanship the way Betz does.

If you want a pool with the natural look of a pond, our Black Pools are ideal. We've got the landscaping, stonework and waterfall designs to complement them, too.

For a Black Pool or any other kind of pool, you can't do better than Betz Quality.
