Celestica Values People

Celestica's key competitive advantage is its people - technology alone will not guarantee its future. At Celestica, employees experience all the rewards that come from working for a multi-billion dollar global enterprise, including tremendous growth opportunities, challenging work and a one-of-a-kind, values-driven culture.

Looking for Part-time Work?

PART-TIME CONTRACT - DON MILLS

We have openings in our Don Mills location for individuals interested in working on a contract part-time basis in a manufacturing environment. Duties may include assembly, visual inspection or repair. No manufacturing experience is needed - training will be provided. A Grade 12 education or equivalent is required. Successful candidates should enjoy working in a team-based environment and possess excellent communication skills and a keen interest in learning. Shifts are 12 hours in length and candidates must be willing to work overnight. Average hours per week will be 20-24, however, they may vary from a minimum of 10 to a maximum of 40.

These opportunities are ideal for those who are:

- Extremely flexible in the days and hours they are available to work.
- Not interested in working full time.
- Willing to work overnight shifts.

These positions are not suitable for full-time students.

Qualified candidates are invited to forward their resume to:
