Wine Not

You can go to any make your own wine store and order a kit that will make a nice Chardonnay, but when you go to Wine Not, you will make wine that is unique to Wine Not.

"We customize the recipes," said Craig Cats, who owns the Markham location of Wine Not with his wife Piyo.

Wine Not was started in 1993 by the Cats family. They now have 36 locations throughout Ontario. Craig said people go to

Wine Not because of the family's knowledge of wine and wine making, and their unique recipes that produce a large selection of high-quality wines.

Wine Not wines are found at hotels and restaurants, at weddings and other locations. You can make your own red and white wines as well as fruit and ice wines at their clean, friendly and modern facility.

For details call 294-9463 or visit the store at 15 heritage Rd. Unit 1.

Betz Pools, Stouffville

Imagine

A still, hot summer's day. Beneath the cloudless skies, there is a subtle play of sunbeams on the pool floor.

You stand poised on your diving board. You pause and lunge yourself up, then down into the cool, turquoise waters.

Quiet. Refreshing. Delightful.

Isn't this what summer should be? Golden afternoons in a backyard magically transformed into your private oasis.

The laughter of children. The company of friends. If you've dreamed of owning your own pool, this could be the time to turn that dream into a beautiful reality.

Betz Pools can create your ideal backyard environment including complete lines of spas by Maax and Fox Margus surrounded with cedar gazebos. New this year is quality gas grills by Napoleon.

For details call 640-1424 or visit their showroom at 5688 Main St. Stouffville.
