Father's Steakhouse and Pub

Drop by Father's Steakhouse and Pub for delicious food and excellent times.

Now in its second year, Father's has a loyal group of customers who go to the spacious pub for homemade food in a casual and friendly atmosphere.

"I have been told we have the friendliest staff around," said owner and long-time Markham resident Bill Roskar.

Father's is the perfect place to get together with friends and enjoy dinner. Sports

teams have also made Father's the pub of choice.

"It's a great meeting place for teams after the game." People can enjoy a variety of foods including their specialties — steak and prime rib as well as pub foods such as pub pies, french fries and the "best wings in town." They also have live entertainment.

Father's is located at northeast corner of McCowan Road and Hwy. 7.

For details call 294-0134.

The Academy of Sport & Fitness Gymnastics Club

At 15,000 square feet, the Academy of Sport & Fitness Gymnastics Club is one of York Region's largest facilities.

The club offers gymnastic lessons for pre-school, recreational, advanced rec and competitive level athletes as well as combination classes such as dance/gym and karate/gym. They have special group rates for large groups and schools and they do personal and sport-specific training to increase students' skill level in sports such

as figure skating and dance. This fall season, they are implementing new programs such as fine art and Kumon. All instructors are nationally certified and specifically trained in the programs they work. They offer various weekly camps throughout the year. Birthday parties are definitely a memorable experience.

Visit their open house Aug. 15 to Sept. 15 from 6 p.m. to 8 p.m.

For details call 780-0913.

Markham Total Auto Centre

Markham Total Auto Centre and Markham Tire offers modern technology with old-fashioned service.

People have been going to Stewart Abram, his brothers Bob and Bill and father George for over 15 years because they know they will receive honest and reliable service.

"Markham has been a good, loyal town," said Stewart, who understands the importance of changing with the times.

Three years ago, Stewart moved the

business to an environmentally friendly shop. Markham Total Auto strives for customer satisfaction.

"We offer a pickup and drop off service, a complete line of tires — both brand and private labels — at wholesale pricing and full vehicle maintenance programs to help prolong the life of customers' vehicles."

Markham Total Auto Centre is located at 180 Bullock Dr.

Units 9 and 10. For details call 471-7200.
