## Maaco

If your aging auto performs like a dream, but looks like a nightmare, Maaco has a paint service to fit your budget and your needs.

Just because a car is eight years old and doesn't look good, doesn't mean you have to get rid of it, said owner Randy Murphy, who estimates that two or three monthly payments on a new car would cover the average cost of repairing and refinishing an older model. For as little as \$379, a spruced-

up exterior can extend a car's life by several years. Maaco offers a menu of options ranging from the economical to a full factory service paint job. After 10 years in Markham, the company has provided professional paint jobs and top-notch service for more than 10,000 people, many of them repeat customers and referrals.

Maaco is located at 1 Laidlaw Blvd. For details call 472-5353.
