## Main Street Travel & Cruises

For the past 11 years, Main Street Travel & Cruises has been earning the trust of local travellers. "Give us one per cent of your confidence and we will earn the other 99 per cent," president David Jacob said.

Whether it's leisure or business travel, Main Street Travel offers friendly, personalized service and a convenient location.

The key to the success of Main Street Travel is service — fast, efficient, and most of all, accurate. Main Street Travel's reservation terminals are directly linked to those of the airlines, car rental companies and hotels.

"This gives us direct access to last minute availability and the lowest fares and rates possible. We can confirm reservation requests directly over the phone, which saves our clients time."

Manfred personally  
guarantees your  
satisfaction.

Convenience and service has made Markham Interiors a success.

Convenience and excellent customer service is what has made Markham Interiors by Parallele successful. "We offer complete service," said owner Manfred Deiwick, whose business has been located on Main Street Markham for the past 14 years.

Markham Interiors offers a free shop-at-home service which includes answering people's questions, taking measurements of different areas and bringing samples so people can see what colours and textures look best in their home. If people have odd sized windows and doors, Deiwick is able to custom make blinds and drapery to fit. But that is not all he does.

One-man operation, Markham Interiors sells blinds, drapery and bedspreads by some of the world's top manufacturers. Recently, he began selling carpets. (A representative from the manufacturer comes in and installs the carpets.)

Deiwick offers the high quality of his merchandise. Deiwick offers amazing specials every month.
